

School Community Council Candidate Form 2020-21

There is money to be spent at West Jordan High. You can decide how to spend it!

Who is the School Community Council and what do they do? Every school must have a School Community Council (SCC) that consists of the principal, school employees and parents. The majority of members are parents. Parents represent parent perspectives on issues and decisions made by the council. Parents have input in the School Improvement Plan and in how the funds from the School LAND Trust Program will be spent. Parents have the majority vote.

- Parents may bring issues of concern to the council seeking solutions. The council may choose to address them or recommend another group or entity better suited to implement solutions.
- The council may also create programs or projects to improve the parent, student & faculty school experience
- They may make recommendations to the administration of the school and district.

Requirements: Members should be willing to attend the council meetings that are held four times during the year on **Wednesdays at 5:00 PM**. Our meetings this year are scheduled **October 27, November 18, January 27, and March 17**. Members of the council will need to agree to have their email and/or phone number published.

How can I become involved? Please fill out the form below and return to the main office or email your Principal and state your desire to serve on the council. Your membership will be established by your attendance at our first Council meeting on **October 27, 2020**
