

Dance Course Offerings

Dance 1: Introduction to Dance

Learn about the fundamentals of dance, explore different styles/techniques, attend field trips, work with guest teachers, collaborate with peers, and laugh a lot! No performance requirement for this class.

Dance 2/3: Advanced Dance

Learn advanced technique (similar to a studio environment), attend field trips, work with guest teachers, learn choreography, and have fun with your fellow dancers! There is a required performance component in this class.

Dance Company

West Jordan's performing dance company; auditions required. Professional performance opportunities, participate in dance and choreography festivals, visit universities, work with amazing guest artists, gain choreographic experience, and so forth. Scan the QR code to access our website for additional information and important dates.
