

# Confused about “P” and “NC”

## Pass (P)

Did you know...If you've experienced difficulty with online learning, *you may request a “P” grade from your teacher.*

If you have a D- or higher, your teacher will change that to a “P” grade *if requested.*

Pass (P) grades earn high school credit, *but do not count towards GPA*

## No Credit (NC)

All “F” or “I” grades from 4th Quarter will automatically be converted to “NC” by the end of June.

“NC” grades do not receive high school credit and do not count towards a student's GPA.

**\*Please contact your student's teachers, counselor, or school administrator with questions about grades.**
